in force under the

Road Transport (General) Act 1999

Republication No 2

About this republication

The republished law

This is a republication of the *Road Transport (Offences) Regulations 2000* (repealed) effective from 2 July 2001.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation (Republication) Act 1996*, part 3, division 2 authorised the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation (Republication) Act 1996*, s 14 and s 16). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

In preparing this republication, amendments have not been made under section 13.

in force under the
Road Transport (General) Act 1999

1 Name of regulations

These regulations are the *Road Transport (Offences) Regulations 2000*.

2 Commencement

These regulations commence on the commencement of the *Road Transport (General) Act 1999*.

3 Dictionary

The dictionary at the end of these regulations is part of these regulations.

Note 1 The dictionary at the end of these regulations defines certain words and expressions used in these regulations, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in these regulations or in other legislation.

For example, the signpost definition '*school zone*—see the Australian Road Rules, rule 23.' means that the expression 'school zone' is defined in that rule and the definition applies to these regulations.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire regulations unless the definition, or another provision of the regulations, provides otherwise or the contrary intention otherwise appears (see *Interpretation Act 1967*, s 11F and s 11G, as applied by the *Subordinate Laws Act 1989*, s 9).

Road Transport (Offences) Regulations 2000

(2) In this regulation—

note includes material enclosed in brackets in regulation headings.

Note For comparison, a number of regulations contain bracketed notes in their headings drawing attention to equivalent or comparable (though not necessarily identical) provisions of other regulations. Abbreviations in the notes include the following:

- (b) if a choice of words is indicated in the text—the words remaining after the omission of the words irrelevant to the offence.

(2) In a proceeding for an offence against a provision mentioned in column 2 of an item of the Schedule, the short description is taken to relate to the offence against the provision, as the provision was in force when the offence is alleged to have been committed.

(3) The amendment or repeal of a short description does not affect the validity of an information, summons, warrant, notice, order or other document in which the expression is used.

(4) Subregulation (3) applies to an information, summons, warrant, notice, order or other document (whether issued, given or made before or after the amendment or repeal) that relates to an offence alleged to have been committed before the amendment or repeal.

Note The short description for an offence appears in the Schedule in order of the name of the Act or instrument and the number of the provision creating the offence.

PART 4—DEMERIT POINTS

17 Offences for which demerit points are prescribed etc (NSW(DL) cl 36 (1)-(2))

- (1) An offence is an offence for which demerit points are prescribed if the offence is mentioned in the Schedule and demerit points are provided for the offence in column 6 of the item applying to the offence.
- (2) The offence is a *national schedule offence* if the letters ‘(NS)’ also appear in column 6 of the item, and is a *non-national schedule offence* if the letters ‘(NS)’ do not also appear in that column of the item.
- (3) The number of demerit points prescribed for the offence is the number mentioned in that column of the item.
- (4) Subregulation (3) is subject to regulation 20 (Additional demerit points for offences committed during holiday periods).

18 National schedule of demerit points

For the definition of *national schedule of demerit points* in the dictionary to the *Road Transport (Driver Licensing) Act 1999*, the national schedule offences, and the number of demerit points incurred for each national schedule offence, are the national schedule of demerit points.

19 Additional demerit point offences

For paragraph (b) of the definition of *demerit points offence* in subsection 13 (1) of the *Road Transport (Driver Licensing) Act 1999*, the non-national schedule offences are prescribed.

20 Additional demerit points for offences committed during holiday periods (NSW(DL) cl 36 (3), (5))

- (1) This regulation applies to an offence against a Territory law for which demerit points are prescribed that is committed during a holiday period.

Note This regulation applies despite reg 17 (see reg 17 (4)).

- (2) The number of demerit points prescribed for the offence is—
 - (a) for an offence mentioned in the schedule, part 2, item 1—double the number of demerit points mentioned in the item, column 6; or

Road Transport (Offences) Regulations 2000

- (b) for any other offence mentioned in an item in the schedule for which demerit points are provided—1 more than the number mentioned in the item, column 6.
- (3) The Minister may declare that this regulation does not apply to all or part of a holiday period.
- (4) A declaration under subregulation (3) is a disallowable instrument.

21 Meaning of *holiday period*

(1) For these regulations, a ***holiday period*** is any of the following periods:

- (a) if a Thursday is a public holiday—the period beginning on the Wednesday before the public holiday and ending at the end of the following Sunday;
- (b) if a Friday is a public holiday—the period beginning on the Thursday before the public holiday and ending at the end of the following Sunday;
- (c) if a Monday is a public holiday—the period beginning on the Friday before the public holiday and ending at the end of the Monday;
- (d) if a Tuesday is a public holiday—the period beginning on the Friday before the public holiday and ending at the end of the Tuesday;
- (e) a period declared by the Minister to be a holiday period for this regulation.

(2) However, if 2 or more holiday periods mentioned in subregulation (1) coincide, the period beginning on the 1st day of the 1st holiday period, and ending at the end of the last day of the 2nd or later holiday period, is a holiday period.

Example of coinciding holiday periods

Good Friday, and the Saturday and Monday after Good Friday, are each public holidays. The holiday period begins on the Thursday before Good Friday and ends at the end of Easter Monday.

(3) For subregulation (2), 2 or more holiday periods ***coincide*** if holiday periods mentioned in subregulation (1) overlap or create consecutive holiday periods without any days in between those periods that are not part of a holiday period.

Road Transport (Offences) Regulations 2000

- (4) In this regulation, a **public holiday** is a day that is a public holiday under the *Holidays Act 1958*, section 3 (1) (a), other than—

 - (b) a public holiday declared under the *Holidays Act 1958*, section 3 (2) not to be a public holiday; and
 - (c) 12 March 2001 (Canberra Day in 2001).
- (5) A declaration under subregulation (1) (e) is a disallowable instrument.
- (6) Subregulation (4) (c) and this subregulation expire on 31 March 2001.

- (b) all other necessary changes were made to apply this Act to the offence or infringement.

“(3) In addition, in applying this Act to a parking infringement mentioned in paragraph (1) (b), the words ‘, and may be convicted of and punished for the offence’ in subsection 37 (1) are taken to be omitted.

“(4) To remove any doubt, nothing in this section makes a person liable to be convicted of or punished for an offence in relation to a parking infringement committed before the commencement.

“(5) Subsection (4) has effect despite anything else in this Act.”.
