The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). 38 Arbitration—care plans

If, for an eligible victim who is entitled to receive level 2 or level 3 service, the case coordinator and approved service provider do not agree about the content of a care plan, the need for additional contact hours or both, the case coordinator must refer the issue in writing to an independent arbitrator nominated by the manager of the responsible service agency.

39 Case closure

Case closure for an eligible victim consists of the following procedure:
