Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Road Transport (Third-Party Insurance) Regulation 2000

made under the

Road Transport (General) Act 1999

1 Name of regulation

This regulation is the *Road Transport (Third-Party Insurance) Regulation 2000*.

3 Dictionary

The dictionary at the end of this regulation is part of this regulation.

Note 1 The dictionary defines certain terms used in this regulation, and includes references (*signpost definitions*) to other terms defined elsewhere in this regulation or elsewhere in the road transport legislation.

For example, the signpost definition ‘*trader’s plate*—see the *Road Transport (Vehicle Registration) Act 1999*, dictionary.’ means the term ‘trader’s plate’ is defined in that dictionary and the definition applies to this regulation.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire regulation unless the definition, or another provision of the regulation, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

- (1) A note in this regulation is explanatory and is not part of this regulation.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

- (2) In this section:

note includes material enclosed in brackets in section headings.

Note For comparison, a number of sections contain bracketed notes in their headings drawing attention to equivalent or comparable (though not necessarily identical) provisions of other sections. Abbreviations in the notes include the following:

- TPI: *Motor Vehicle (Third Party Insurance) Regulation 1947*, as in force immediately before the commencement of this regulation.

5 Terms of third-party policies

For the Act, section 163 (b), the following terms are prescribed for a third-party policy:

Third-party policy

The insurer insures the owner of the motor vehicle to which the policy applies, and anyone else who drives the vehicle (whether or not with the owner's authority), against liability in relation to the death of, or bodily injury to, a person caused by, or arising out of the use of, the vehicle anywhere in Australia (whether or not on a road or road related area).

In this policy, words and expressions have the same meanings as in the *Road Transport (General) Act 1999*, part 10.

7 Returns by authorised insurers (TPI s 8 (1))

- (1) An authorised insurer must, not later than 30 April in each year, give to the road transport authority a return containing the required insurance particulars for the year ending on the previous 31 December.

Maximum penalty: 20 penalty units.

- (2) For subsection (1):

insurance particulars means particulars about—

- (a) premiums received for insurance under third-party policies; and
- (b) claims paid in relation to third-party policies; and
- (c) the people insured under third-party policies; and
- (d) any other matters relevant to third-party policies or the Act, part 10.

required insurance particulars, for a year, means the insurance particulars that the road transport authority notifies the insurer, not

later than 1 February in the next year, are the required particulars for the year.

8 Lost, stolen etc certificates of insurance (TPI s 9, 10)

If the insurer that issued a certificate of insurance to a person is satisfied that the certificate has been lost, stolen, damaged or destroyed, the insurer must, on application by the person, give the person a replacement certificate.

9 Change in use of insured vehicle (TPI s 15)

- (1) This section applies if the premium paid for the third-party policy applying to a motor vehicle has been worked out because of the use of the vehicle for a particular purpose or purposes mentioned in a premium classification.
- (2) The owner must not use the vehicle for another purpose unless the owner pays the insurer the additional premium (if any) payable for the premium classification applying to the other purpose.

Maximum penalty: 20 penalty units.

10 Classification of vehicles (TPI sch 1)

The classification of vehicles set out in schedule 1, columns 2 and 3 applies in working out the maximum premium that may be charged for a third-party policy applying to a particular vehicle.

11 Maximum premiums

- (1) The maximum premium that may be charged for a third-party policy applying to a vehicle of a classification mentioned in an item of schedule 1, column 2, or a trader's plate, is—
 - (a) if the policy is for 1 year and—
 - (i) the vehicle or plate is used for private purposes—the appropriate amount mentioned in the item, column 5; or

- (ii) the vehicle or plate is used for business purposes—the appropriate amount mentioned in the item, column 6; and
- (b) if the policy is for any other period—an amount worked out in accordance with the following formula:

$$\text{premium payable} = (1 \text{ year premium} \times N/12) + \$0.75$$

- (2) For this section, a person's vehicle or trader's plate is used for *private purposes* if the person, or the person's agent, tells the road transport authority that there is no entitlement to claim an input tax credit in relation to the third-party policy for the vehicle or plate.
- (3) For this section, a person's vehicle or trader's plate is used for *business purposes* if the person, or the person's agent, tells the road transport authority that there is an entitlement to claim an input tax credit in relation to the third-party policy for the vehicle or plate.
- (4) In this section:

input tax credit—see the *A New Tax System (Goods and Services Tax) Act 1999* (Cwlth), dictionary.

N means the number of months of the policy (counting part of a month as 1 month).

12 Overlapping premium classification (TPI s 19)

If 2 or more premium classifications apply to a vehicle, the maximum premium payable for the third-party policy for the vehicle is the higher of the maximum premiums applying under the premium classifications.

13 Increases in premium during term of policy (TPI s 17)

- (1) This section applies if, while a third-party policy is in force for a vehicle—
 - (a) a change is made—
 - (i) in the construction, use or ownership of the vehicle; or

- (ii) in the place where it is usually garaged; and
 - (b) because of the change, a higher premium than the premium paid on the policy could be charged if a new third-party policy were issued for the vehicle.
- (2) The owner of the motor vehicle is liable to pay an additional premium from the day of the change worked out in accordance with the following formula:

$$\text{additional premium} = [(P2 - P1) \times N2/N1] + \$0.25$$

- (3) In subsection (2):

P1 means the premium originally paid.

P2 means the higher premium for the term of the original policy.

N1 means the number of months of the original policy (counting part of a month as 1 month).

N2 means the remaining number of months of the policy (counting part of a month as 1 month).
