Other legislation applies in relation to offences against this regulation.

#### Note 1 Criminal Code

The Criminal Code, ch 2 applies to all offences against this regulation (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

#### Note 2 Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

#### 5 Terms of third-party policies

For the Act, section 163 (b), the following terms are prescribed for a third-party policy:

#### Third-party policy

The insurer insures the owner of the motor vehicle to which the policy applies, and anyone else who drives the vehicle (whether or not with the owner's authority), against liability in relation to the death of, or bodily injury to, a person caused by, or arising out of the use of, the vehicle anywhere in Australia (whether or not on a road or road related area).

In this policy, words and expressions have the same meanings as in the *Road Transport (General) Act 1999*, part 10.

#### **7** Returns by authorised insurers (TPI s 8 (1))

(1) An authorised insurer must, not later than 30 April in each year, give to the road transport authority a return containing the required insurance particulars for the year ending on the previous 31 December.

Maximum penalty: 20 penalty units.

- (2) An offence against this section is a strict liability offence.
- (3) For subsection (1):

insurance particulars means particulars about—

- (a) premiums received for insurance under third-party policies; and
- (b) claims paid in relation to third-party policies; and
- (c) the people insured under third-party policies; and
- (d) any other matters relevant to third-party policies or the Act, part 10.

**required insurance particulars**, for a year, means the insurance particulars that the road transport authority notifies the insurer, not later than 1 February in the next year, are the required particulars for the year.

#### **8** Lost, stolen etc certificates of insurance (TPI s 9, 10)

If the insurer that issued a certificate of insurance to a person is satisfied that the certificate has been lost, stolen, damaged or destroyed, the insurer must, on application by the person, give the person a replacement certificate.

#### 9 Change in use of insured vehicle

- (1) This section applies if the premium paid for the third-party policy applying to a motor vehicle has been worked out because of the use of the vehicle for a particular purpose or purposes mentioned in a premium classification.
- (2) The owner of the motor vehicle must not use the vehicle for another purpose if—
  - (a) there is an additional premium payable for the premium classification applying to the other purpose; and
  - (b) the owner has not paid the additional premium.

Maximum penalty: 20 penalty units.

(3) An offence against this section is a strict liability offence.

#### 10 Classification of vehicles (TPI sch 1)

The classification of vehicles set out in schedule 1, columns 2 and 3 applies in working out the maximum premium that may be charged for a third-party policy applying to a particular vehicle.

#### 11 Maximum premiums

- (1) The maximum premium that may be charged for a third-party policy applying to a vehicle of a classification mentioned in an item of schedule 1, column 2, or a trader's plate, is—
  - (a) if the policy is for 1 year and—
    - (i) the vehicle or plate is used for private purposes—the appropriate amount mentioned in the item, column 5; or
    - (ii) the vehicle or plate is used for business purposes—the appropriate amount mentioned in the item, column 6; and

(b) if the policy is for any other period—an amount worked out in accordance with the following formula:

```
premium payable = (1 \text{ year premium} \times \text{N/}12) + \$0.75
```

- (2) For this section, a person's vehicle or trader's plate is used for *private purposes* if the person, or the person's agent, tells the road transport authority that there is no entitlement to claim an input tax credit in relation to the third-party policy for the vehicle or plate.
- (3) For this section, a person's vehicle or trader's plate is used for *business purposes* if the person, or the person's agent, tells the road transport authority that there is an entitlement to claim an input tax credit in relation to the third-party policy for the vehicle or plate.
- (4) In this section:

*input tax credit*—see the *A New Tax System (Goods and Services Tax) Act 1999* (Cwlth), dictionary.

N means the number of months of the policy (counting part of a month as 1 month).

#### **Overlapping premium classification** (TPI s 19)

If 2 or more premium classifications apply to a vehicle, the maximum premium payable for the third-party policy for the vehicle is the higher of the maximum premiums applying under the premium classifications.

#### 13 Increases in premium during term of policy (TPI s 17)

- (1) This section applies if, while a third-party policy is in force for a vehicle—
  - (a) a change is made—
    - (i) in the construction, use or ownership of the vehicle; or
    - (ii) in the place where it is usually garaged; and

- (b) because of the change, a higher premium than the premium paid on the policy could be charged if a new third-party policy were issued for the vehicle.
- (2) The owner of the motor vehicle is liable to pay an additional premium from the day of the change worked out in accordance with the following formula:

additional premium =  $[(P2 - P1) \times N2/N1] + $0.25$ 

(3) In subsection (2):

**P1** means the premium originally paid.

**P2** means the higher premium for the term of the original policy.

**NI** means the number of months of the original policy (counting part of a month as 1 month).

N2 means the remaining number of months of the policy (counting part of a month as 1 month).
