About this republication

The republished law

This is a republication of the *Road Transport (Alcohol and Drugs) Regulations 2000* effective from 1 March 2000 to 23 May 2001.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation (Republication) Act 1996*, part 3, division 2 authorised the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation (Republication) Act 1996*, s 14 and s 16). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

Amending laws are annotated in the table of legislation and table of amendments.

The Parliamentary Counsel's Office currently prepares 2 kinds of republications of ACT laws: authorised printed republications to which the *Legislation (Republication) Act 1996* applies and unauthorised electronic republications. The status of this republication appears on the cover.

Section 13 of the *Legislation (Republication) Act 1996* authorises the Parliamentary Counsel, in preparing a law for republication, to make textual amendments of a formal nature which the Parliamentary Counsel considers desirable in accordance with current legislative drafting practice. The amendments do not effect a substantive change in the law.
