

Australian Capital Territory

Criminal Code Regulation 2005

SL2005-2

made under the

Criminal Code 2002

Republication No 9

Effective: 26 October 2010 – 9 May 2013

Republication date: 26 October 2010

Last amendment made by SL2010-41

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Criminal Code Regulation 2005*, made under the *Criminal Code 2002* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 26 October 2010. It also includes any commencement, amendment, repeal or expiry affecting the republished law to 26 October 2010.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

Australian Capital Territory

Criminal Code Regulation 2005

made under the

Criminal Code 2002

Part 1 Preliminary

1 Name of regulation

This regulation is the *Criminal Code Regulation 2005*.

3 Dictionary

The dictionary at the end of this regulation is part of this regulation.

Note 1 The dictionary at the end of this regulation defines certain terms used in this regulation, and includes references (*signpost definitions*) to other terms defined elsewhere in this regulation.

For example, the signpost definition '*associated drug*—see section 5 (2).' means that the term 'associated drug' is defined in that section and the definition applies to this regulation.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire regulation unless the definition, or another provision of the regulation, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this regulation is explanatory and is not part of this regulation.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

Part 2 Serious drugs offences

5 **Controlled drugs—Code, s 600, def *controlled drug***

- (1) A substance mentioned in schedule 1 is prescribed.
- (2) The following substances (each of which is a *related drug*) are also prescribed:
 - (a) a form of a drug mentioned in schedule 1, whether natural or synthetic, and the salts, derivatives and isomers of that drug and any salt of those derivatives and isomers;
 - (b) a drug that is in a class of drugs mentioned in schedule 1, whether natural or synthetic, and the salts, derivatives and isomers of that drug and any salt of those derivatives and isomers;
 - (c) an analogue in relation to a drug mentioned in schedule 1, which includes any substance having a substantially similar chemical structure to the drug, but differing in elemental composition due to the addition, deletion or replacement of any substituent element or group;
 - (d) a homologue in relation to a drug mentioned in schedule 1, which includes any substance which differs from that drug by one or more carbon containing groups (including methylene groups) in that chemical structure;
 - (e) a substance containing or mixed with a substance mentioned in schedule 1.

6 **Controlled plants—Code, s 600, def *controlled plant***

A growing plant under schedule 2 is a *controlled plant*.

7 **Controlled precursors—Code, s 600, def *controlled precursor***

- (1) A substance mentioned in schedule 3 is prescribed.

- (2) The following substances (each of which is a *related precursor*) are also prescribed:
- (a) a preparation, admixture, extract or other substance containing any proportion of a substance mentioned in schedule 3;
 - (b) a substance that is 1 of the following in relation to a substance mentioned in schedule 3:
 - (i) acetal;
 - (ii) acetate;
 - (iii) acid chloride;
 - (iv) amide;
 - (v) anhydride;
 - (vi) diol;
 - (vii) epoxide;
 - (viii) ester;
 - (ix) ether;
 - (x) halogen substituent;
 - (xi) hydroxide;
 - (xii) imine;
 - (xiii) isomer;
 - (xiv) ketal;
 - (xv) nitrile;
 - (xvi) oxime;
 - (xvii) salt;
 - (c) any other analogue or derivative of a substance mentioned in schedule 3.

**8 Quantities of controlled drugs, plants and precursors—
Code, s 601 (1)**

- (1) For a controlled drug under schedule 1—
- (a) a *trafficable quantity* of the drug is the quantity under the schedule, column 3 for the drug; and
 - (b) a *commercial quantity* of the drug is the quantity under the schedule, column 4 for the drug; and
 - (c) a *large commercial quantity* of the drug is the quantity under the schedule, column 5 for the drug.
- (2) For a related drug—
- (a) a *trafficable quantity* is the quantity mentioned in schedule 1, column 3 for—
 - (i) the drug to which it is related; or
 - (ii) if it is related to more than 1 drug—the drug to which it is related that has the smallest quantity mentioned in schedule 1, column 3; and
 - (b) a *commercial quantity* is the quantity mentioned in schedule 1, column 4 for—
 - (i) the drug to which it is related; or
 - (ii) if it is related to more than 1 drug—the drug to which it is related that has the smallest quantity mentioned in schedule 1, column 3; and
 - (c) a *large commercial quantity* is the quantity mentioned in schedule 1, column 5 for—
 - (i) the drug to which it is related; or
 - (ii) if it is related to more than 1 drug—the drug to which it is related that has the smallest quantity mentioned in schedule 1, column 3.

Example—par (a) (ii), par (b) (ii) and par (c) (ii)

Drug X is a related drug that is related to—

- Morphine (sch 1, pt 1.1, item 49); and
- Pethidine (sch 1, pt 1.1, item 60).

In sch 1, col 3, the quantity for Morphine is 2.00g and the quantity for Pethidine is 10.00g. Because the Morphine quantity is smaller than the Pethidine quantity, Morphine is the relevant drug for working out the quantities for drug X. Therefore, a trafficable quantity of drug X is 2.00g, a commercial quantity of drug X is 0.75kg and a large commercial quantity of drug X is 1.50kg.

Note An example is part of the regulation, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (3) For a controlled plant—
 - (a) a **trafficable quantity** of the plant is the quantity under schedule 2, column 3 for the plant; and
 - (b) a **commercial quantity** of the plant is the quantity under schedule 2, column 4 for the plant; and
 - (c) a **large commercial quantity** of the plant is the quantity under schedule 2, column 5 for the plant.
- (4) For a controlled precursor—
 - (a) a **commercial quantity** of the precursor is the quantity under schedule 3, column 3 for the precursor; and
 - (b) a **large commercial quantity** of the precursor is the quantity under schedule 3, column 4 for the precursor.
- (5) For a related precursor—
 - (a) a **commercial quantity** is the quantity mentioned in schedule 3, column 3 for—
 - (i) the precursor to which it is related; or

- (ii) if it is related to more than 1 precursor—the precursor to which it is related that has the smallest quantity mentioned in schedule 3, column 3; and
- (b) a **large commercial quantity** is the quantity mentioned in schedule 3, column 4 for—
- (i) the precursor to which it is related; or
- (ii) if it is related to more than 1 precursor—the precursor to which it is related that has the smallest quantity mentioned in schedule 3, column 3.

Example—par (a) (ii) and par (b) (ii)

Precursor X is a related precursor that is related to—

- Ammonia (sch 3, item 8); and
- Calcium (sch 3, item 20).

In sch 3, col 3, the quantity for Ammonia is 1.50kg and the quantity for Calcium is 0.25kg. Because the Calcium quantity is smaller than the Ammonia quantity, Calcium is the relevant precursor for working out the quantities for precursor X. Therefore, a commercial quantity of precursor X is 0.25kg and a large commercial quantity of precursor X is 0.50kg.

Note An example is part of the regulation, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (6) In this section:

related drug—see section 5 (2).

related precursor—see section 7 (2).

9 Quantities of controlled drugs in mixtures—Code, s 601 (2)

For the Code, section 601 (2) (a), and to remove any doubt—

- (a) the quantity under schedule 1, column 3 for a drug is a **trafficable quantity** of the pure form of the drug (or an associated drug or related drug); and

- (b) the quantity under schedule 1, column 4 for a drug is a **commercial quantity** of the pure form of the drug (or an associated drug or related drug); and
- (c) the quantity under schedule 1, column 5 for a drug is a **large commercial quantity** of the pure form of the drug (or an associated drug or related drug).

Schedule 1 Controlled drugs

(see s 5, s 8 (1) and (2), s 9)

Note to sch 1

This schedule is divided into pt 1.1 (Controlled medicines) and pt 1.2 (Prohibited substances). These terms are not relevant for the Criminal Code but are terms used in the *Medicines, Poisons and Therapeutic Goods Act 2008*.

Part 1.1 Controlled medicines

column 1 item	column 2 substance	column 3 trafficable quantity (g)	column 4 commercial quantity (kg)	column 5 large commercial quantity (kg)
1	Acetyldihydrocodeine	2.00	1.00	2.00
2	Acetylmethadol	2.00	1.00	2.00
3	Acetylmorphines	2.00	1.00	2.00
4	Alfentanil	0.005	0.0025	0.005
5	Alphacetylmethadol	10.00	5.00	10.00
6	Alphaprodine	25.00	12.50	25.00
7	Amphetamine	2.00	1.00	2.00
8	Amylobarbitone, except if packed and labelled for injection	20.00	10.00	20.00
9	Anileridine	25.00	12.50	25.00
10	Benzylmorphine	5.00	2.50	5.00
11	Bezitramide	5.00	2.50	5.00
12	Buprenorphine	0.05	0.025	0.05
13	Butobarbitone	20.00	10.00	20.00
14	Butorphanol	2.00	1.00	2.00
15	Carfentanyl	0.005	0.0025	0.005

Schedule 1

Dictionary

(see s 3)

Note 1 The Legislation Act contains definitions and other provisions relevant to this regulation.

Note 2 For example, the Legislation Act, dict, pt 1, defines the following term:

- for.

Note 3 Terms used in this regulation have the same meaning that they have in the Criminal Code (see Legislation Act, s 148). For example, the following term is defined in the Criminal Code, dict:

- cannabis (see s 600).

Code means the Criminal Code.

derivative means a substance or compound made from another substance or compound.

Endnotes

1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws and expiries are listed in the legislation history and the amendment history. These details are underlined. Uncommenced provisions and amendments are not included in the republished law but are set out in the last endnote.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.

2 Abbreviation key

A = Act	NI = Notifiable instrument
AF = Approved form	o = order
am = amended	om = omitted/repealed
amdt = amendment	ord = ordinance
AR = Assembly resolution	orig = original
ch = chapter	par = paragraph/subparagraph
CN = Commencement notice	pres = present
def = definition	prev = previous
DI = Disallowable instrument	(prev...) = previously
dict = dictionary	pt = part
disallowed = disallowed by the Legislative Assembly	r = rule/subrule
div = division	reloc = relocated
exp = expires/expired	renum = renumbered
Gaz = gazette	R[X] = Republication No
hdg = heading	RI = reissue
IA = Interpretation Act 1967	s = section/subsection
ins = inserted/added	sch = schedule
LA = Legislation Act 2001	sdiv = subdivision
LR = legislation register	SL = Subordinate law
LRA = Legislation (Republication) Act 1996	sub = substituted
mod = modified/modification	<u>underlining</u> = whole or part not commenced or to be expired

5 Earlier republications

Some earlier republications were not numbered. The number in column 1 refers to the publication order.

Since 12 September 2001 every authorised republication has been published in electronic pdf format on the ACT legislation register. A selection of authorised republications have also been published in printed format. These republications are marked with an asterisk (*) in column 1. Electronic and printed versions of an authorised republication are identical.

Republication No and date	Effective	Last amendment made by	Republication for
R1 6 Mar 2005	6 Mar 2005– 30 Apr 2005	not amended	new regulation
