- (1A) A driver who has used an approved e-payment method to pay for a parking space must not allow the driver's vehicle to remain parked in the parking space after the e-payment parking period for which parking in the space has been paid for ends.

Maximum penalty: 20 penalty units.

*Note 1* For when an e-payment ticket parking period ends, see s 81 (2).

*Note 2* For exceptions to s (1A), see s 50.

**8 New section 76AA**

*before section 76A, insert*

**76AA Approval of e-payment method**

- (1) The road transport authority may approve an e-payment method (an ***approved e-payment method***) for a driver of a vehicle to pay for the use of a parking space in a ticket parking area.
- (2) The road transport authority may not approve an e-payment method unless satisfied that the system supporting the method is capable of—
  - (a) giving the road transport authority contemporary information about fees paid for parking spaces in ticket parking areas; and
  - (b) keeping a record of each transaction; and
  - (c) giving a person using the method an electronic receipt for the transaction.
- (3) An approval is a notifiable instrument.

*Note* A notifiable instrument must be notified under the [Legislation Act](#).

- (4) In this section:

***e-payment method*** means a method for payment using an electronic device.

**9 Section 81**
