## NOTE ABOUT CONTENTS

This booklet contains particulars of the following laws of the ACT:

- . Acts of the Territory, including certain applied NSW laws;
- . subordinate laws and rules of court under those Acts;
- . Commonwealth Ordinances under the *Seat of Government (Administration) Act 1910* made especially for the ACT, and regulations and by-laws made under those Ordinances.

It does not contain particulars of Commonwealth Acts or Statutory Rules in force in the ACT, although many of these have special application to the Territory.

For example, it does not contain particulars of—

- . the package of Commonwealth laws which provided for ACT Self-government (the *Australian Capital Territory (Self-Government) Act 1988*, the *A.C.T. Self-Government (Consequential Provisions) Act 1988*, the *Australian Capital Territory (Electoral) Act 1988*, the *Australian Capital Territory (Planning and Land Management) Act 1988* and related regulations); or
- . the *Corporations Act 1989* (Cwlth) (which provides for the application of the Corporations Law in the Territory).

Nor does it contain particulars of Commonwealth laws which apply ACT laws to other Commonwealth Territories.

Particulars of these and other Commonwealth laws may be found in the appropriate Commonwealth indexes.

**NOTE**—This volume supersedes the volume *Laws of the Australian Capital Territory* published as at 31 December 1998.

## KEY TO STRUCTURE OF ENTRIES

Short titles of primary and subordinate laws are printed in bold type

If primary laws have been amended, short titles of original and amending legislation are printed in roman type and indented under current short titles

Dashes in the 'Number and year' column opposite the short title of a law indicate that particulars of the law may be found in their alphabetical place in the table

Subordinate laws are listed under parent primary laws and set out with year and number, or date of making if made before the Australian Capital Territory began to allot numbers

Repealed subordinate laws are listed under the parent primary laws under which they were in force when they were repealed

Except in the notes, short titles of laws repealed or disallowed are printed in italics
